Loan Interest Rate & Fees

Your **starting interest rate** will be either

5.600 % or **6.900 %**

After the starting rate is set, your rate will then vary with the market.

Your Starting Interest Rate (upon approval)

The starting Interest Rate you pay will be determined after you apply. The rate will be established by the presence or absence of a cosigner. If approved, we will notify you of the rate you qualify for within the stated range.

Your Interest Rate during the life of the loan

Your rate is variable. This means that your actual rate varies with the market and could be lower or higher than the rate on this form. The variable rate is based upon the average of the LIBOR rates published in the "Money Rates" section of *The Wall Street Journal* on the first business day of each of the three (3) immediately preceding calendar months. For more information on this rate, see Reference Notes.

Although the rate will vary after you are approved, **it will never exceed 18.000 %** (the maximum allowable for this loan).

Loan Fees

Origination Fee: 0%. **Late charges:** 5.00 % of the past due amount or \$ 5.00 , whichever is less. **Collection and Default Charges:** In the event of a default, the borrower may incur additional collection charges as permitted under applicable law.
